

HIGH PERFORMANCE SPRAY GREASE

SPECIALIST™

WD-40® Specialist™ High Performance Spray Grease is a premium quality spray grease designed for use in areas where long lasting lubrication and corrosion protection is required. It is non-drip with excellent adhesion and sealing properties to provide resistance to water. Limitless application areas throughout the home, trade and industry.

FEATURES AND BENEFITS

- ⊕ Long lasting lubrication
- ⊕ Excellent corrosion protection
- ⊕ Excellent adhesion and sealing properties
- ⊕ Ideal lubrication for metal surfaces
- ⊕ Excellent load carry capacity

APPLICATIONS

Pulleys · Gears · Chains · Bearings · Nuts and Bolts · Screws · Locks · Pipes · Taps · Moving Equipment · Machinery · Welds and Winches

DIRECTIONS

1. Shake can well and apply directly on the surface requiring lubrication and protection.
2. Spray sparingly onto the component, ensuring an even coating.
